

OUR BRANDS

AQUA EURO

Our incursion into this business is borne out of the realization that most Nigerians today find it difficult to have access to clean water in their various homes, schools and office; a situation that has created such massive market for clean packaged water of good heritage. Pack sizes in the bottle category, including the following sizes; 50cl, 75cl, 150cl. The big 19l water bottle is also available for office and home use.

SAVANA

Savana range of carbonated soft drinks come in four variants: Orange, Lemon, Pineapple, Apple and Soda water. Euro Global acquired the Savana brand in October 2011 in order to cater to the carbonated soft drinks segment. The company further rejuvenated the brand by investing in a new pet line and new design for its re-introduction into market via new 50cl pet bottles. This brand is also available in 33cl cans.

CZAR

The Czar Vodka 75cl pack, was launched into the Nigerian market in October 2011.

The premium brand, born of an equally pristine primary ingredient which has been distilled four times, triple filtered twice to make it as 'PURE' as vodka can be; thus giving the brand a distinctive soft and smooth clean taste which makes it everyone's perfect mixer.

AMPHORA

From the stables come the red and white Amphora wines. Our premium wines are the result of renowned experience and diversified agro- business, which has always been committed to quality. Amphora wines are an important aspect in cuisine not just for its value as a beverage but as a flavor agent as its acidity lends balance to rich dishes....and as they say: 'Drink to your heart. The wines presently come in 75cl glass bottles while smaller sizes of 37.5cl and 25cl will be launched in due course.

SEAKING

Seaking Premium Schnapps is a testimony to the company's premium heritage; a toast to Schnapps drinkers all over the world. Our premium Schnapps comes in 3 sizes; 75cl & 37.5cl bottles & 3cl sachet. This clear spirit launched in 2008 is made from hundreds of healthy herbs, and always appropriate as an aperitif, an after-dinner drink or simply when you feel like it but most importantly in appreciation of our tradition which lifts the spirits.

SABRINA

Gin lovers truly enjoy this premium extra dry gin which comes in different pack sizes; 75cl bottle, 20cl bottles, 12cl pet bottle and 3cl sachet. Sabrina which was developed in 2008 is the fastest selling brand as of date. Using the finest natural flavouring ingredients which results in a unique blend, triple-distilled, clear, crisp, strong with a smooth compelling taste, perfectly taken alone as a cocktail.

BRAVE HEART

Brave Heart Rum is a rich dark golden amber liquor blend that was introduced into the market in 2009. Brave Heart comes in these pack sizes; 75cl bottle, 20cl bottle, 12cl pet bottle, and 3cl sachet. It is meant for tough men who wish to dominate their zones because they know... 'it is time to conquer'.

BLUE LAGOON

Blue Lagoon Dry Gin is a well-blended crystal liquor that comes in beautifully designed unique bespoke 85ml bottle whose sky-blue pristine colour attracts even the the casual drinker to enjoy some exciting sips of its rich, mellow blend at every opportunity

POWER BITTERS

Power Bitters is made from carefully selected exotic herb extracts, fruit flavours and specially demineralized water and alcohol to produce an exclusive blend that leaves the drinker with a special taste that only Power Bitters offers. Some of the ingredients are natural anti-oxidants that support healthy living. Power Bitters is Nigeria's premium and highly exciting spirit-mixed drink. Loyal drinkers have since averred that Power Bitters is absolutely like no other.

EURO GLOBAL PET DIVISION

Euro Global Foods and distilleries Pet Division manufactures superior quality pet bottles in various sizes for spirits, soft drinks, water and pharma industries. The PET bottles are produced in single stage state-of-the-art stretch blow-moulding machine.

Pharma Bottles in 60ml, 100ml & 200ml
Spirits & Soft Drink Bottles in 120ml, 187ml & 500ml
19 Litre-Jar is available with and without handle
Sturdy and stable design
3 ribs for easy loading which also helps protect label.

ABOUT PRODUCT MANUFACTURER

INTRODUCTION

Sona Industrial Gases Limited (SIGL) was incorporated on 6th October, 2011 as a Limited Liability Company under the Companies and Allied Matters Act, 1990 (RC 984894). SIGL is fast becoming a leading name in the Industrial gases sector. The company commenced production in the last quarter of 2011 having a 200cum/hr Air Separation Plant producing Liquid Oxygen and Nitrogen. SIGL is into the manufacturing of Industrial Gases and Medical Gases with our own facilities at Km1, Ijoko Road, Sango Ota in Ogun State.

PRODUCT RANGE

These include Liquid Oxygen, Compressed Oxygen, Compressed Medical Oxygen, Compressed Medical Air, High purity Compressed Nitrogen & Liquid Nitrogen, Dissolved Acetylene, Compressed Argon and other Speciality Gases(helium,Propane,ACM ,Hydrogen, Methane, Freon etc). We manufacture and supply a range of gases for nearly every industry and every use. We invest in meeting the needs of all industrial and medical gases users whether general/specialist hospital or operation of a large industrial and processing plant.

OUR COMMITMENT

Our commitment is reflected in our wide range of gas products. With the current facility, SIGL has already started to reach customers at different locations in Ogun State, Ibadan, Port Harcourt and Lagos State. SIGL invests heavily in research & development and we hope to achieve a breakthrough in manufacturing resources through our newly acquired plants, the Oxygen production plant, and CO₂ production plant as well as the modified Acetylene production facility reinforced with well enhanced logistics upgrade via the acquisition of new cylinders and a new fleet of vehicles.

Since medicinal gases are classified as a drug, our production and distribution team are highly skilled and experienced season professionals in their respective fields. This has been responsible for our ability to handle a wide range of gases production, quality control, sales, distribution, and engineering design and equipment installations for various clients in compliance with ISO 9001:2008 and OHSAS 18001:2007. We pride ourselves with the depth and experience of our team that comprises individuals with seasoned experience and exposure in Engineering, Manufacturing & Production, Quality Management and Distribution of gases.

They have all had the benefit of working for multinational outfits within and outside Nigeria, and have also distinguished themselves in their chosen careers over the years.

MISSION, VISION & QUALITY POLICY

Vision statement:

- Ensure 100% Safety in operations
- Ensure consistency in quality of products
- Ensure continuous improvement on product quality

Mission Statement:

To be the prime manufacturer of industrial, Medical and Speciality gases in Nigeria, catering to all walks of life with quality products & services at competitive rates while remaining socially responsible operator and reference point in industrial and medical gases industry in Nigeria eliminating importations.

Quality Policy:

Sona Industrial Gases limited is committed to satisfy customers with quality industrial, medical and speciality gases and related service that exceed customers' expectations and to operate in a safe environment with the aim to continually improve on quality management system.

Where Quality is Culture

**SHONGAI PACKAGING
INDUSTRY LIMITED**

COMPANY HISTORY

Shongai Packaging Industry Limited was incorporated in 1977 but commenced production in 1981 and is an ISO 9001:2008 certified company. We produce high quality injection moulding products like rugged crates for beer & beverage industry, durable injection molded plastic pallets, various types of caps & closures, domestic items like Happy Family basins and buckets from 7 ltrs to 60 ltrs, 50ltr drum with lids for multipurpose use, bakery & fishing crates as well as durable injection molded plastic furniture's likes chairs, tables, student study tables, kiddies chairs and tables etc.

Today, our client list for crates includes such multinationals as
Nigerian Breweries Plc
Guinness Nig. Plc
Consolidated Breweries Plc
Sab Miller Plc., etc.

Due to increasing opportunities in the packaging industry, Shongai later diversified into manufacturing of various plastic packaging products for numerous industrial customers in the Oil Industry, Paint & Building Industry, Automobile, Agriculture & Fishing, Pharmaceutical, and Cosmetics Industries.

By way of expansion and diversification, Shongai has added the production of plastic pallets to its array of products, adding such multinational companies to her clientele such as PZ, Unilever, Dana group, Procter & Gamble, May & Baker, Indomie group, AJE Group, Flour Mills etc. Shongai has also gone into production of Furniture- chairs and tables for events and schools, kiddies' tables and chairs.

Over the past 15 years, the company has achieved steady growth in its business activities and has become a leading packaging company in Nigeria. The company's products are known for quality and continue to enjoy good patronage from reputable customers across the industries serviced by the company.

Recently, looking at the growing need for reducing environmental burden and recycling of plastics waste around the country, the company embarked on a bold venture of setting up one of the most modern plastics waste recycling facility and has set up the highest capacity recycling plant in Nigeria which converts all types of plastics into reusable form. It now utilizes this plastic recycled material to manufacture high quality plastic injection molded pallets that are a direct replacement of wooden pallets thereby further reducing environmental burden and deforestation.

The company is located at Km 38, Lagos Abeokuta Express way Sango Ota, Ogun State and share the same premises with Nigerian Breweries Plc.

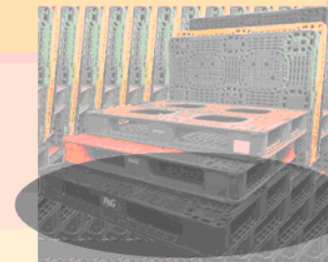

A detailed market analysis for Shongai Packaging Industry Limited would however be best appreciated when we take a look at the company's products:

1. Plastic Crates:

Shongai is a major supplier of crates to

- 1). Nigerian Breweries Plc.
- 2). Guinness Nig. Plc.,
- 3). DIL/Maltex Plc.
- 4). Vitamalt Plc.
- 5). Consolidated Breweries Plc.
- 6). Tafsan Beverages (Nasmalt)
- 7). Sab Miller Plc.

2. Plastic Pallets:

These came on stream in 2011. Products are in 3 sizes of 1200 mm x 1200 mm, 1200 mm x 1000 mm & 1250 mm x 1070 mm and are produced from Regrind and Virgin materials.

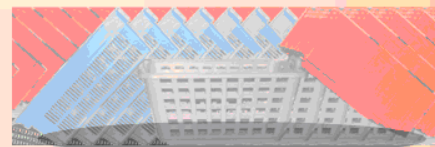

3. Cosmetic Jars:

Introduced in 1997, the company has the best quality 450 grams jar in the Nigerian market today, used by cosmetic manufacturers and oil marketing Companies for their grease. The company has recently introduced the tamperproof brand of this jar along with other sizes of 250 grams, 100 grams and 65 grams.

4. Paint Containers:

Shongai was the first company to introduce 20ltr paint container into the Nigerian market in 1992. Today the market is huge but very competitive. We have continued in our pride of place in this market with our very high quality product & printing.

4. Storage Crates:

This is a unique product solely produced in Nigeria by Shongai Packaging Industry Ltd. Companies in Agriculture, Fishing and Ice Cream business use it. Demand is seasonal, but increasing steadily.

5. Household Products:

This is produced for the domestic markets and demand is very good. This "Happy Family" branded product is the flagship of our domestic basins products.
